

## BATTERY SPECIFICATION SHEET

BATTERY TYPE: **89T**  
DEEP CYCLE RANGE

### Nominal Overall Dimensions (mm)

Length: 345  
Width 175  
Height 285

### Voltage

12

### Warranty (Months)\*

6

*\* Warranty applies for use in Australia only.*

### General Specifications

Carry handles  
Glass mat separator  
Low maintenance  
Only recommended for applications that receive a weekly equalising charge

### Wet Weight (Kg)

33.29

### AH Capacity @ 20Hr

115

### Terminal

Dual fit terminal post

### Battery Assembly
