

BATTERY SPECIFICATION SHEET

BATTERY TYPE: **89T**
DEEP CYCLE RANGE

Nominal Overall Dimensions (mm)

Length: 345
Width 175
Height 285

Voltage

12

Warranty (Months)*

6

** Warranty applies for use in Australia only.*

General Specifications

Carry handles
Glass mat separator
Low maintenance
Only recommended for applications that receive a weekly equalising charge

Wet Weight (Kg)

33.29

AH Capacity @ 20Hr

115

Terminal

Dual fit terminal post

Battery Assembly
